RENEGADES
COOKING TEAM

RENEGADE HISTORY

Our group consists of friends and family members who have been involved in the Houston Livestock Show & Rodeo and the Houston Livestock Show & Rodeo World's Championship Bar-B-Que Contest for many, many years. The **Renegades** were assembled in 1999, when we decided it was time to start doing things a little differently than the way they had been done in the past. The year 2000 brought not only the new Millenium, but also a renewed outlook on our approach to friendships, team work, and most of all, barbecue. As each year passes, it seems that this event as a whole gets larger. To accommodate for this growth, in 2002 the **Renegades** expanded to provide additional space for our guests to enjoy the fun, food and activities.

WHAT TO EXPECT

In the Summer of 1999 we created and designed our own trailer mounted smoker pits. They are original designs by some of the Team members and, with the combined efforts of the **Renegades**, the construction was completed just days prior to the big event in February 2000. Weighing in at approximately 3 tons and standing over 12 feet tall, our smoker pits are large enough to accomodate well over 600 pounds of meat, while cooking a large pot of beans or the now famous **Renegades** potatoes on a burner at one end.

Renegades have the knowledge and experience to provide an exciting family atmosphere with plenty of fun and lots of good barbecue. The **Renegades** offer the ideal atmosphere to entertain your kids, friends, co-workers and even your clients. After all, everybody knows the best thing to do in February is to attend the Houston Livestock Show & Rodeo World's Championship Bar-B-Que Contest. When you cross the

threshold into the **Renegades** event, it's unlike any parking lot party you've seen before. It is a party for the senses, lights are flashing to the sound of the most current country and pop hits played by

our very own **Renegades** disc jockey. Guests are gathered around enjoying cold beverages, and the smell of an abundance of hot food is being served from our colorful buffet tables.

TEAM MEMBERS

As mentioned previously, our team is comprised of family members and long time friends. Whether it's childhood acquaintances from many years past, or relationships developed as recently as a few years ago, the **Renegades** are indeed a friendly bunch.

Throughout the Contest you can easily recognize a member of the **Renegades** Team. Should you need any assistance during your visit with us at the Contest, do not hesitate to call on any one of us for help.

Underwriter Opportunities

Our underwriter packages are based on the total monetary value of the donations made to the Renegades Team. Donations may either be cash contributions, materials and/or services donated in-kind. Keep in mind that your donation does not buy your ticket

into the Main Contest area. A \$10.00 ticket for each person is required at the main gate. Your level of underwriting determines the number of admission tickets (valid for Friday and Saturday) you will receive to the Renegades Booth during the Contest dates.
